 3. The Trust Fund shall be designated the "deSouza Charitable Fund."

4. Subject to the provisions of this scheme, the Treasurer shall out of the annual income of the Pension Fund pay and discharge all trust expenses and, subject thereto, shall pay such income, and shall also pay the annual income of the Management Fund to the Managers, or to their treasurer or other proper officer for the time being on their behalf, by half-yearly payments which shall as nearly as practicable be of equal amount, and shall be made on the 31st day of May and the 30th day of November in each year (the first of such yearly payments to be made on the 30th day of November next) to the intent and so that all such income shall be applied by the Managers in the manner and for the purposes hereinafter mentioned.

Mode in which Managers are to apply income of Pension Fund.

5. All income arising from the Pension Fund and paid to the Managers under the provisions of this scheme shall be applied by them in accordance with the following provisions, that is to say:—

(a) In the first place, the Managers shall pay out of the said income to each of the persons whose names, addresses and descriptions are set forth in the first and second columns of the Schedule hereto (such persons being hereinafter referred to as "the original pensioners"), a pension of such an amount and payable at such times as is shewn by the particulars set opposite the name of such original pensioner in the third column of the said Schedule during his life, or until he shall, in the opinion of the Managers, have been guilty of such misconduct as to disentitle him to receive such pension, or until he assign or charge or attempt to assign or charge the same or any part thereof, or until the happening of any other event whereby such pension or any part thereof, if belonging absolutely to him, would become vested in or payable to some other person and not be applicable for the personal benefit of such pensioner, or until the circumstances of such pensioner shall for any reason have so changed as, in the opinion of the Managers, to render it inexpedient that he should any longer receive his said pension, so that such pension shall cease to be payable upon the happening of such of the said events as shall first happen.

Events upon which the original pensions are to determine.

(b) If and so often as the pension payable to any married original pensioner hereunder shall cease to be payable either by reason of his death or during his lifetime by the happening of any event other than his misconduct, then the Managers shall (unless in their discretion they deem it inexpedient so to do) pay to the wife or husband of such pensioner (as the case may be) a pension of such amount not exceeding the amount of the pension payable to such original pensioner as the Managers may think fit during the life of such wife or husband, or during such shorter period or periods, either continuous or discontinuous, and upon and subject to such terms and conditions as the Managers may deem proper.

As to continuing pensions to wives or husbands of original pensioners.

(c) So much of the said income arising from the Pension Fund as from time to time shall not in the opinion of the Managers be required for the payment of any of the pensions mentioned in either of the two last preceding sub-sections shall from time to time be applied by the Managers in payment of pensions or allowances to such persons for the time being resident in Calcutta, and being of any Christian religion as may from time to time be selected by the Managers. Every such pension or allowance shall be of such amount (not exceeding in the case of any one person the sum of Rs. 25 per month) as the Managers may from time to time determine, and may be made payable during the life of the recipient thereof or during such shorter period or periods, either continuous or discontinuous, and determinable on such events and be subject to such conditions as the Managers may in each case deem expedient. In this sub-section the expression "Calcutta" shall mean and include every place situate within the town of Calcutta or the suburbs adjacent thereto (including Howrah), and in selecting pensioners under the provisions of this scheme the Managers shall, as far as practicable, give a preference to such persons as the Managers may consider to be East Indians or of European parentage and permanently domiciled in Calcutta. Provided that the Managers shall not be bound to make any pension or allowance determinable upon the recipient thereof ceasing to reside in Calcutta or to cease to pay any pension or allowance upon the recipient thereof ceasing to so reside.

As to payment of other pensions and allowances.

(d) If and so often as any pensioner (whether original or otherwise) shall by reason of bodily or mental ill health be, in the opinion of the Managers, incapable of receiving his pension or allowance, the Managers may pay the same or any part thereof to such person on his behalf as they may think fit without being bound to see to the application thereof or being responsible for the misapplication thereof, or they may themselves apply all or any part of such pension or allowance in such manner as they may consider to be for the benefit of such pensioner.

As to payments to or for the benefit of incapacitated pensioners.

(e) The Managers shall at all times keep proper books, and shall cause to be entered therein the names, addresses, and descriptions of all the recipients of pensions or allowances under this scheme and the respective amounts of such pensions and allowances, and also accounts of all monies received and expended by the Managers under this scheme, and all other matters likely to be useful for or in connection with the administration of the trusts hereof, or which may from time to time be required by the Government of Bengal to be entered in such books, and the Government of Bengal and any person appointed by them shall at all reasonable times have access to all such books and be at liberty to inspect the same and take copies or extracts therefrom.

Books to be kept by Managers.

(f) The Managers shall also at all times, both during their tenure of office and after the determination thereof, furnish to the Government of Bengal or any person appointed by such Government all such information as the Government may require in relation to the trusts hereof or the administration thereof, or any other matters in anywise connected therewith.

Managers to give information to the Government of Bengal.

(g) The Managers may from time to time make such rules and regulations (not being inconsistent with the terms of this scheme) as they may think fit with reference to the management of the income of the Trust Fund and the mode of payment of any pensions or allowances hereunder and otherwise in connection with the administration of the trusts of this scheme, and may from time to time alter or vary the same in such manner as they may deem expedient; provided that all such rules and regulations, and all alterations and variations thereof, shall as soon as practicable after the making thereof be submitted to the Government of Bengal, and any rule or regulation, whether original, or altered, or varied, which that Government shall consider improper or undesirable shall be forthwith cancelled.

6. All income arising from the Management Fund shall be applied by the Managers in payment of the expenses incurred by them in connection with the duties imposed on them by sub-section (e) of the last preceding clause hereof and so that for the purposes of such duties the Managers may from time to time employ an accountant or clerk upon such terms as they may think fit, provided that the salary for the time being payable to any such accountant or clerk shall not exceed the income for the time being of the Management Fund.

7. The receipt in writing of the person acting as treasurer to or other proper officer for the time being of the Managers shall be a good discharge to the Treasurer for all monies paid to the Managers under the provisions of this scheme, and the Treasurer shall not be in anywise responsible for the misapplication or non-application of any such monies, or be bound to see whether such monies or any of them are being applied in accordance with the provisions of this scheme.

8. The Treasurer may either permit the Trust Fund or any part thereof to remain in the state of investment in which it may be when the vesting order is made, or may under direction of the Government of Bengal, as provided in section 10 of Act VI of 1890, vary or transpose such investment or any future investments representing the Trust Fund or any part thereof into or for any other investment in which trust funds may for the time being be authorized by the law for the time being in force in India or in England to be invested, provided that, notwithstanding any change of investments, the Pension Fund and the Management Fund shall, as far as practicable, be kept separate.

9. In case any preferential right to take or subscribe for any new or other funds, shares, stock, or securities shall be offered to the Treasurer as holder of the Pension Fund or of the Management Fund, the Treasurer may, under such direction as aforesaid, dispose of or transfer any such new funds, shares, stock or securities or the title thereto in such manner as he may be directed, and every premium or profit arising therefrom shall, as well as all interest, dividends, bonuses or other advantages payable or receivable in respect of the Pension Fund or the Management Fund be treated as income of the Fund in respect of which it shall be payable or receivable.

10. Every Association who shall for the time being be Managers under this scheme shall hold their office until—

- (a) they shall be dissolved, or
- (b) they shall, by giving notice in writing to the Government of Bengal, resign their office, or
- (c) the Government of Bengal shall, by writing under the hand of the Secretary in the General Department, certify to the effect that, in the opinion of Government, they have seriously and persistently failed to observe or perform the provisions herein contained with respect to the application by them of the income of the Pension and Management Funds, or either of them,

and upon the happening of any such event, such Association shall vacate their office of Managers.

11. If and so often as the office of Managers under this scheme shall by any means be vacant, the Government of Bengal may from time to time appoint any Association, which they may think fit, to fill the vacant office. Provided that, if the District Charitable Society at Calcutta, who shall be the first Managers, shall vacate their office by reason of their dissolution, the Government of Bengal shall appoint as Managers in their place the successors of the said Society, if such successors shall, in the opinion of the Government of Bengal, be a charitable association constituted or organised under or in accordance with a scheme approved by the Government of Bengal; and so that in filling up any vacancy in the office of Managers the said Government shall, as far as may be practicable, always appoint an Association constituted or organised in manner last aforesaid.

12. Any Managers who shall vacate their office under any of the foregoing provisions shall thereupon deliver all monies in their hands subject to the trusts of this scheme, and all books and papers relating to the administration of the said trusts, or to any matters in anywise connected therewith to such person as the Government of Bengal may appoint for that purpose.

13. The Government of Bengal shall have power in their uncontrollable discretion to determine all questions, disputes or matters of doubt touching the construction, meaning or effect of these presents or any clause or thing herein contained, or the rights or liabilities of any person under these presents or otherwise howsoever in relation to the trusts hereof or arising in the execution of the trusts of these presents, and every determination, whether made upon a question actually raised or implied in the acts and proceedings of the Government of Bengal shall be conclusive and binding on all persons interested or claiming to be interested under this scheme.

Power to Government of Bengal to determine questions.

15. Every officer or servant who shall apply for permission to retire from Municipal service on Invalid Pension or gratuity shall be examined by the Health Officer, and unless the Health Officer shall certify that the applicant is incapacitated for further service, and the cause of such incapacity and that such incapacity is not due to the applicant's own misconduct, his application for pension or gratuity shall be disallowed. If the applicant is dissatisfied with the Health Officer's examination, he shall be at liberty to submit himself for examination by a Commissioned Medical Officer at the Presidency at his own cost, and a certificate from such Commissioned Officer may be accepted in lieu of the certificate from the Health Officer. Provided, however, that if at the time of making such application, the applicant is unable through illness or absence from India to attend for examination by the Health Officer, a similar certificate by a duly qualified surgeon or physician, countersigned by a Justice of the Peace, Magistrate, Judge, Notary Public or Municipal Commissioner of Calcutta may be accepted to lieu of the certificate of the medical authority.

Officers, &c., under 55 applying to retire on pension, &c., to be examined, and unless certified as incapacitated, application to be disallowed.

16. Applications for permission to retire on pension or gratuity shall be disposed of by the Commissioners in Meeting, who may take into consideration any representation made by the applicant for extension of service in cases where the applicant has been required by the Chairman to apply. Every such application shall be addressed to the Chairman by whom the same will be submitted to the General Committee, accompanied by—(1) a register of service in a form to be prescribed by the Chairman, (2) the certificate prescribed by rule 15 in cases in which such certificate is necessary, and (3) a certificate from the Chairman specifying the period for which the applicant has served, and the Chairman's opinion as to whether the applicant's character and conduct have been such as to render him deserving of the pension or gratuity applied for. Should the Chairman be of opinion that the applicant's character or conduct have not been such as to render him deserving of the full pension or gratuity applied for, he shall recommend such lower rate of pension or gratuity as he shall think fit. The Commissioners in Meeting, in disposing of such applications, shall have regard to the rates for pensions and gratuities prescribed by rule 17.

Applications for pension, &c., to be disposed of by General Committee, and to be submitted through the Commissioners.

17. There shall be two scales of pensions and gratuities—the A scale and the B scale—and pensions and gratuities shall be payable under these rules at the rates given in the A scale in the case of officers and servants who are eligible under rule 11, and at the rates given in the B scale in the case of officers and servants who are eligible under rule 12:—

The term "average salary" means the average calculated upon the last five years of service.

(a) A gratuity in lieu of pension shall be payable to an officer or servant entitled to gratuity on the A scale who shall have completed five years' service, but shall not have completed ten years' service. Such gratuity shall be calculated upon the basis of the average monthly salary during the preceding five years of service of the officer or servant applying for gratuity, and shall be equal to one month's salary calculated on that basis for each completed year of service, subject, however, to the maximum limit of nine months' salary so calculated.

(b) Provided, however, that, in calculating the average monthly salary of an officer or servant for the purposes of this rule, any reduced salary which he may have received while on leave shall not be taken into account, but the average shall be calculated as if such officer or servant had, while on leave, been in receipt of the salary of his appointment which he was drawing immediately before taking leave, and provided also that in the case of an officer or servant who, during the last five years of his service, has, through no fault of his own, drawn a diminished salary, the average shall be calculated on the monthly salary of such officer or servant during those five consecutive years of his service in which his salary may have been highest.

18. Every Municipal servant or officer who may be eligible to contribute and qualify for a pension or gratuity under rules 2 and 3 shall be entitled to three months' official notice before his services are dispensed with, and if he shall not receive such notice, he shall be entitled to a gratuity not exceeding his salary for the period by which the notice given to him falls short of three months, in addition to any retiring pension or gratuity to which he may be entitled.

Every Municipal servant or officer on a temporary establishment who is not eligible for pension or gratuity, shall, if he has been in Municipal employ for 12 months, be entitled to

one full month's notice before his services are dispensed with, or in lieu of notice to a gratuity not exceeding his salary for the period by which the notice falls short of one month. Provided that such temporary service is not for a fixed term, or for the performance of any defined work, in which cases no notice shall be necessary.

19. Future good conduct is an implied condition of every grant of a pension. The Corporation reserves to itself the right of withholding or withdrawing a pension, if the pensioner be convicted of serious crime or be guilty of grave misconduct.

20. Pensions shall commence from the date of retirement or discharge, but if an officer or servant to whom a pension is payable shall be on leave and unable to rejoin his appointment, his pension shall commence from the date of the medical certificate under rule 15, if such certificate is required; otherwise from such date as the Commissioners in Meeting shall direct.

21. In calculating the period of service of an officer or servant for the purposes of rule 17, privilege and casual leave admissible under the Leave Rules shall count as service, but no other sort of leave shall count.

22. Service in order to count for pension or gratuity must be continuous. Provided (1) that periods (if any) of leave which under rule 21, would not count as service shall not be deemed to constitute breaks of service, so as to prejudice the continuity of the service preceding and subsequent to such leave, and (2) that should an officer or servant whose services have been dispensed with, or who has resigned, be re-employed, it shall be in the discretion of the Commissioners in Meeting to condone the break in his service and to allow his former service to count. Provided that he has not received any pension or gratuity, in respect thereof, or that, if he has received any such pension or gratuity, he refunds it with or without interest as the Commissioners in Meeting shall determine.

23. Subject to the provisions of rule 22, if any portion of the previous service of a Municipal officer or servant, who is admitted to contribute under rules 5, 6 and 7, has been in an office or appointment paid for out of capital or in a temporary or officiating appointment, such previous service shall count towards pension, provided that he pays contributions on the salary drawn during such service from the date of commencement of such service in such instalments as the Chairman thinks proper.

24. Periods of service before the age of 20 years shall not count towards pension or gratuity, but this rule shall not have retrospective effect.

25. In case an officer or servant shall be suspended pending an enquiry into his conduct and shall thereafter be reinstated, it shall be in the discretion of the Commissioners in Meeting to determine whether such suspension shall or shall not constitute a break in the service of such officer or servant.

26. Every pension shall be payable monthly if the pensioner resides in India or quarterly if he resides out of India. Every pension shall be payable to the pensioner in person, or, in case of inability on account of illness or absence from Calcutta to attend personally, to some person duly empowered either by power-of-attorney or otherwise, as the Commissioners may direct, to receive the same. Provided that in the last-mentioned case the person so empowered must, on the occasion of each payment, produce and deposit with the Chief Accountant a certificate signed by a Magistrate, Justice of the Peace, Notary Public, Municipal Commissioner of Calcutta, or other official to be approved by the Commissioners, certifying that the Pensioner is personally known to him, and was seen by him alive on or after the date on which the pension becomes payable.

COMPASSIONATE ALLOWANCES.

27. In case an officer or servant who is a contributor under these rules shall die while in the Municipal service after he shall have completed five years' service, a compassionate allowance equivalent to a gratuity of one month's pay for every year of service up to a limit of 12 months' pay shall be paid to or for the benefit of his widow and children, or in case he shall have left no widow or children to or for the benefit of his parents, brothers and sisters, if any, if dependent on him for support.

The length of service and amount of gratuity due shall be calculated according to rules 21 and 17(a).

In like manner in case a pensioner shall die before he shall have received full twelve months' pension, any balance of such pension up to twelve months shall be paid to or for the benefit of his widow and children, or in case he shall have left no widow or children, to or for the benefit of his parents, brothers and sisters, if any, if dependent on him for support.

Provided that nothing in this or any of the foregoing rules contained shall be deemed to preclude the Commissioners in Meeting in their absolute discretion from granting a compassionate allowance to any officer or servant (whether eligible or ineligible to contribute and whether he has contributed or not) who may have been permanently disabled or seriously injured in the discharge of his duties, or to the widow and children, or, in case he shall have left no widow or children, to the parents, brothers and sisters of any of such officer or servant who may have been killed in the discharge of his duties.

GENERAL.

28. All disputes and doubts arising on the construction of, or otherwise in connection with, these rules shall be referred to the General Committee for decision, subject to confirmation by Commissioners in Meeting.

Disputes and doubts on the construction of the rules to be decided by General Committee.

(a) In the first place, the Managers shall pay out of the said income to each of the persons whose names, addresses and descriptions are set forth in the first and second columns of the Schedule hereto (such persons being hereinafter referred to as "the original pensioners"), a pension of such an amount and payable at such times as is shewn by the particulars set opposite the name of such original pensioner in the third column of the said Schedule during his life, or until he shall, in the opinion of the Managers, have been guilty of such misconduct as to disentitle him to receive such pension, or until he assign or charge or attempt to assign or charge the same or any part thereof, or until the happening of any other event whereby such pension or any part thereof, if belonging absolutely to him, would become vested in or payable to some other person and not be applicable for the personal benefit of such pensioner, or until the circumstances of such pensioner shall for any reason have so changed as, in the opinion of the Managers, to render it inexpedient that he should any longer receive his said pension, so that such pension shall cease to be payable upon the happening of such of the said events as shall first happen.

(b) If and so often as the pension payable to any married original pensioner here-
As to continuing pensions to wives or husbands of original pensioners. under shall cease to be payable either by reason of his death or during his lifetime by the happening of any event other than his misconduct, then the Managers shall (unless in their discretion they deem it inexpedient so to do) pay to the wife or husband of such pensioner (as the case may be) a pension of such amount not exceeding the amount of the pension payable to such original pensioner as the Managers may think fit during the life of such wife or husband, or during such shorter period or periods, either continuous or discontinuous, and upon and subject to such terms and conditions as the Managers may deem proper.

(c) So much of the said income arising from the Pension Fund as from time to time shall not in the opinion of the Managers be required for the payment of any of the pensions mentioned in either of the two last preceding sub-sections shall from time to time be applied by the Managers in payment of pensions or allowances to such persons for the time being resident in Calcutta, and being of any Christian religion as may from time to time be selected by the Managers. Every such pension or allowance shall be of such amount (not exceeding in the case of any one person the sum of Rs. 25 per month) as the Managers may from time to time determine, and may be made payable during the life of the recipient thereof or during such shorter period or periods, either continuous or discontinuous, and determinable on such events and be subject to such conditions as the Managers may in each case deem expedient. In this sub-section the expression "Calcutta" shall mean and include every place situate within the town of Calcutta or the suburbs adjacent thereto (including Howrah), and in selecting pensioners under the provisions of this scheme the Managers shall, as far as practicable, give a preference to such persons as the Managers may consider to be East Indians or of European parentage and permanently domiciled in Calcutta. Provided that the Managers shall not be bound to make any pension or allowance determinable upon the recipient thereof ceasing to reside in Calcutta or to cease to pay any pension or allowance upon the recipient thereof ceasing to so reside.

(d) If and so often as any pensioner (whether original or otherwise) shall by reason of bodily or mental ill health be, in the opinion of the Managers, incapable of receiving his pension or allowance, the Managers may pay the same or any part thereof to such person on his behalf as they may think fit without being bound to see to the application thereof or being responsible for the misapplication thereof, or they may themselves apply all or any part of such pension or allowance in such manner as they may consider to be for the benefit of such pensioner.

(e) The Managers shall at all times keep proper books, and shall cause to be entered therein the names, addresses, and descriptions of all the recipients of pensions or allowances under this scheme and the respective amounts of such pensions and allowances, and also accounts of all monies received and expended by the Managers under this scheme, and all other matters likely to be useful for or in connection with the administration of the trusts hereof, or which may from time to time be required by the Government of Bengal to be entered in such books, and the Government of Bengal and any person appointed by them shall at all reasonable times have access to all such books and be at liberty to inspect the same and take copies or extracts therefrom.

(f) The Managers shall also at all times, both during their tenure of office and after the determination thereof, furnish to the Government of Bengal or any person appointed by such Government all such information as the Government may require in relation to the trusts hereof or the administration thereof, or any other matters in anywise connected therewith.

(g) The Managers may from time to time make such rules and regulations (not being inconsistent with the terms of this scheme) as they may think fit with reference to the management of the income of the Trust Fund and the mode of payment of any pensions or allowances hereunder and otherwise in connection with the administration of the trusts of this scheme, and may from time to time alter or vary the same in such manner as they may deem expedient; provided that all such rules and regulations, and all alterations and variations thereof, shall as soon as practicable after the making thereof be submitted to the Government of Bengal, and any rule or regulation, whether original, or altered, or varied, which that Government shall consider improper or undesirable shall be forthwith cancelled.

6. All income arising from the Management Fund shall be applied by the Managers in payment of the expenses incurred by them in connection with the duties imposed on them by sub-section (c) of the last preceding clause hereof and so that for the purposes of such duties the Managers may from time to time employ an accountant or clerk upon such terms as they may think fit, provided that the salary for the time being payable to any such accountant or clerk shall not exceed the income for the time being of the Management Fund.

7. The receipt in writing of the person acting as treasurer to or other proper officer for the time being of the Managers shall be a good discharge to the Treasurer for all monies paid to the Managers under the provisions of this scheme, and the Treasurer shall not be in anywise responsible for the misapplication or non-application of any such monies, or be bound to see whether such monies or any of them are being applied in accordance with the provisions of this scheme.

8. The Treasurer may either permit the Trust Fund or any part thereof to remain in the state of investment in which it may be when the vesting order is made, or may under direction of the Government of Bengal, as provided in section 10 of Act VI of 1890, vary or transpose such investment or any future investments representing the Trust Fund or any part thereof into or for any other investment in which trust funds may for the time being be authorized by the law for the time being in force in India or in England to be invested, provided that, notwithstanding any change of investments, the Pension Fund and the Management Fund shall, as far as practicable, be kept separate.

9. In case any preferential right to take or subscribe for any new or other funds, shares, stock, or securities shall be offered to the Treasurer as holder of the Pension Fund or of the Management Fund, the Treasurer may, under such direction as aforesaid, dispose of or transfer any such new funds, shares, stock or securities or the title thereto in such manner as he may be directed, and every premium or profit arising therefrom shall, as well as all interest, dividends, bonuses or other advantages payable or receivable in respect of the Pension Fund or the Management Fund be treated as income of the Fund in respect of which it shall be payable or receivable.

10. Every Association who shall for the time being be Managers under this scheme shall hold their office until—

- (a) they shall be dissolved, or
- (b) they shall, by giving notice in writing to the Government of Bengal, resign their office, or
- (c) the Government of Bengal shall, by writing under the hand of the Secretary in the General Department, certify to the effect that, in the opinion of Government, they have seriously and persistently failed to observe or perform the provisions herein contained with respect to the application by them of the income of the Pension and Management Funds, or either of them,

and upon the happening of any such event, such Association shall vacate their office of Managers.

11. If and so often as the office of Managers under this scheme shall by any means be vacant, the Government of Bengal may from time to time appoint any Association which they may think fit, to fill the vacant office. Provided that, if the District Charitable Society at Calcutta, who shall be the first Managers, shall vacate their office by reason of their dissolution, the Government of Bengal shall appoint as Managers in their place the successors of the said Society, if such successors shall, in the opinion of the Government of Bengal, be a charitable association constituted or organised under or in accordance with a scheme approved by the Government of Bengal; and so that in filling up any vacancy in the office of Managers the said Government shall, as far as may be practicable, always appoint an Association constituted or organised in manner last aforesaid.

12. Any Managers who shall vacate their office under any of the foregoing provisions shall thereupon deliver all monies in their hands subject to the trusts of this scheme, and all books and papers relating to the administration of the said trusts, or to any matters in anywise connected therewith to such person as the Government of Bengal may appoint for that purpose.

13. The Government of Bengal shall have power in their uncontrollable discretion to determine all questions, disputes or matters of doubt touching the construction, meaning or effect of these presents or any clause or thing herein contained, or the rights or liabilities of any person under these presents or otherwise howsoever in relation to the trusts hereof or arising in the execution of the trusts of these presents, and every determination, whether made upon a question actually raised or implied in the acts and proceedings of the Government of Bengal shall be conclusive and binding on all persons interested or claiming to be interested under this scheme.
